ARTICLE III CREATION OF ASSOCIATION, ADMINISTRATION, MEMBERSHIP, AND VOTING RIGHTS

SECTION 1. Association. Within seven (7) years following Declarant's recordation of this Declaration, the powers and authorities of the Declarant as set forth throughout this Declaration, except as otherwise expressly reserved unto Declarant hereunder or as limited pursuant to the instrument of assignment pertaining thereto, shall be vested in an association having the name "River Bend Homeowners Association", or such other name chosen by Declarant and acceptable to the Illinois Secretary of State, being an Illinois not-for-profit corporation formed by Declarant for such purpose. Declarant shall have the right, at Declarant's sole discretion, to establish the Association and assign all or any of Declarant's rights and/or duties hereunder to the Association at any time following the recordation of this Declaration. Until such time as the Association is created and turned over to the Owners, all of the rights, powers and duties of the Association as set forth herein shall remain vested in and may be exercised by Declarant, including, without limitation, the power to establish a budget and collect assessments in the manner and for the purposes set forth in Article IV of this Declaration.

SECTION 2. Association Membership. Each Owner, with respect to each Lot Ownership held by him, shall be a member of the Association so long as he is an Owner of a Lot. Ownership of a Lot shall be the sole qualification for membership. An Owner's membership shall automatically terminate when he ceases to be an Owner of a Lot. Upon the conveyance or transfer of an Owner's Lot Ownership to a new Owner, the new Owner shall automatically and simultaneously succeed to the former Owner's membership in the Association. Such succession of interest shall not, however, relieve the former Owner of his obligation for any assessments which were levied or became due while he was a Lot Owner under this Declaration, if such activities are not otherwise carried out by other persons as provided for under this Declaration.

SECTION 3. Association Responsibilities. The Association, acting through its membership, or its Board of Managers, as the case may be, shall have the responsibility of (a) enforcing and administering the terms of this Declaration, (b) establishing and approving the annual budget (including necessary reserves), and (c) providing for the maintenance, repair, replanting and rehabilitation of all landscaping materials, fencing and signs, if any, located within the landscape, fence and sign easements as identified on the Final Plat or as otherwise provided for under Article V of this Declaration.

SECTION 4. By-Laws. The Association may adopt such By-Laws, not inconsistent with the provisions of this Declaration, as are necessary to fulfill its functions. Unless and until such By-Laws are adopted, this Declaration shall serve as the By-Laws of the Association. The fiscal year of the Association shall be determined by the Association, and may be changed from time to time as the Association deems advisable. The Association shall not be deemed to be conducting a business of any kind, and all funds received by the Association shall be held and applied by it for the use and benefit of the Lot Owners in accordance with the provisions of this Declaration.

SECTION 5. Voting Rights.

(a) Each Lot Ownership shall be entitled to one vote for each Lot owned by it. There shall be one person with respect to each Lot Ownership who shall be entitled to vote at any meeting of the Association ("voting member"). The voting member may be the Owner or may be a person designated in writing by such Owner to act as proxy on his behalf and who need not be an Owner. Such designation shall be made in writing by the Owner to the Board and shall be revocable at any time by actual notice to the Board of the death or judicially declared incompetence of any designator, or by written notice to the Board by the Owner. It shall be the obligation of each Lot Owner to furnish the Board with the current mailing address of the Owner and voting member for the purpose of receiving notice. In any case where the Lot Ownership is vested in more than

one person, the voting member and the vote of such Owner shall be determined among such persons as they may see fit, but not more than one (1) vote, and no fractional votes, may be cast on behalf of any Lot Ownership.

(b) During any period in which a Lot Owner shall be in default in the payment of any assessment or special assessment levied by the Association pursuant to this Declaration, the voting rights of such Owner shall be suspended, and the Association shall further have the right to suspend any or all services to such Owner until such default is cured.

SECTION 6. Meetings.

(a) Location/Quorum. Meetings of the voting members shall be held at the Subject Property, or at such other reasonable location in the County of Will, Illinois, as may be designated in any notice of a meeting. The presence in person or by written proxy at any meeting of the voting members having at least fifty-one percent (51%) of the total votes shall constitute a quorum. Unless otherwise expressly provided herein, any action may be taken at any meeting of the voting members at which a quorum is present upon the affirmative vote of a majority of the voting members present at such meeting. All meetings of the voting members shall be open to all Owners. Withdrawal of a voting member from any meeting shall not cause failure of a duly constituted quorum at that meeting.

(b) Annual Meeting. The initial meeting of the voting members shall be held upon not less than seven (7) days written notice given by Declarant. Thereafter, there shall be an annual meeting of the voting members during the first quarter of each calendar year at such reasonable time and date as may be designated by written notice of the Board delivered to the voting members not less than thirty (30) days prior to the date fixed for such meeting.

(c) Special Meetings. Special meetings of the voting members may be called at any time for the purpose of considering matters which, by the terms of this Declaration require the approval of all or some of the voting members, or for any other purpose. Such meetings shall be called by written notice authorized by a majority of the Board or by the voting members having one-third (1/3) of the total votes and delivered not less than four (4) calendar days prior to the date of the meeting, or such longer period as may be specifically required by this Declaration. The notices shall specify the date, time, and place of the meeting and the matters to be considered.

(d) Notices of Meetings. Notices of meetings required to be given herein shall be delivered either personally or by mail to the voting members, addressed to each such person at the address given to the Board for the purpose of service of such notice, or to the

Owner at the address of the tax assessee of record for such Lot, if no other address has been given to the Board.

SECTION 7. Board of Managers.

(a) At the initial meeting of the voting members, and at each annual meeting thereafter, a Board of Managers consisting of five (5) Lot Owners, or the total number of Lot Owners then existing, whichever is less, shall be elected by a majority of the voting members, each to serve a term of one (1) year and until his successor is elected and qualified. Board members shall serve the Association without compensation. For purposes of incorporating the Association, Declarant may select an initial Board of Managers consisting of persons who may or may not be Lot Owners, to serve in such capacity until the initial meeting of the voting members and the election of a Board of Managers at said meeting.

(b) The Board shall elect from among its members a President who shall preside over both its meetings and those of the voting members, and who shall be the chief executive officer of the Board and the Association, and a Secretary-Treasurer who shall keep the minutes and records of the Board and the Association and perform all the usual functions of a Secretary and a Treasurer.

(c) Vacancies in the Board of Managers caused by any reason shall be filled by a vote of voting members at a special meeting called for that purpose.

(d) At any meeting of the voting members duly called, any one or more of the members of the Board of Managers may be removed with or without cause by a majority of the voting members and a successor may then and there be elected to fill the vacancy thus created. Any such member whose removal has been proposed shall be given an opportunity to be heard at the meeting.

(e) Until the first Board of Managers is elected by the voting members pursuant to this Section, the Declarant shall have and exercise the powers and duties of the Board.

(f) Except as otherwise expressly provided in this Declaration or in the By-Laws of the Association, the Board shall act by the majority vote of its members at meetings called from time to time as a majority of the Board may determine. The majority of the Board shall constitute a quorum. No meetings may be held without notice to all members of the Board which shall also set forth specifically the business to be conducted. All Board meetings shall be open to the Lot Owners and the voting members. Notwithstanding anything contained herein to the contrary, any action authorized herein to be taken by the Board at a meeting pursuant to notice may be taken by informal action consisting of a written resolution signed by all of the members of the Board and

setting forth the action taken or authorized and waiving notice of a meeting and agreeing to the use of the informal procedure hereby authorized.

SECTION 8. Powers and Duties of the Board of Managers. The Board shall have the powers and duties necessary for the administration of the affairs of the Association and may do all acts and things as are not by this Declaration or the Association's By-Laws directed to be exercised by the Lot Owners, including, without limitation, the following:

- (a) To provide for the planting, care, maintenance, restoration and replacement of landscaping materials within any landscape island as indicated on the Final Plat.
- (b) To provide for the care, maintenance and rehabilitation of entryway landscaping and entry signs.
- (c) To provide for maintenance of perimeter fencing and landscaping adjacent to Boughton Road in the event a Lot Owner fails to properly maintain any such fencing and landscaping located on his Lot.

- (e) To enforce the terms of this Declaration.
- (f) To cause the annual budget to be prepared, and each Lot Owner to be notified of the annual budget and any special assessments against his Lot, and to collect the same, all in accordance with this Declaration.
- (g) To procure and maintain such public liability, workmen's compensation, fidelity, directors' and officers' liability and other insurance in such amounts and insuring the Lot Owners, the Association, and the Board against such risks as the Board may in its discretion deem appropriate, provided, however, that in no event shall comprehensive general liability insurance coverage be in an amount less than One Million Dollars (\$1,000,000.00) for each person and each occurrence.
- (h) To pay all taxes and other costs and expenses incident to any property owned by the Association for the benefit of the Association.
- (i) To execute such grants of easement, not inconsistent with the easements specified in Article V hereof, as may be necessary

from time to time to any utility company or provider serving or utilizing any property from time to time owned by the Association.

(j) To deposit from time to time to the credit of the Association funds in savings, money market and checking accounts in such banks, trust companies, or other depositories as the Board may select.

(k) To authorize any officer or officers, agent or agents, of the Association to enter into contracts or to execute and deliver instruments in the name of and on behalf of the Association.

(l) To keep correct and complete books and records of account and minutes of the proceedings of the Board and committees having any of the authority of the Board. All books and records of the Association may be inspected by any Lot Owner, voting member or member of the Board or his agent or attorney, for any proper purpose at any reasonable times.

(m) To provide to the holder of a first mortgage on any Lot, upon written request, written notice of any default by the Owner of such Lot in the performance of any obligation under this Declaration which is not cured within thirty (30) days. This provision may not be amended without the written consent of all holders of first mortgages in the Lots.

(n) To exercise for the Association all powers, duties, and authority vested in or delegated to the Association and not reserved to the Lot Owners by the By-Laws or this Declaration.

SECTION 9. Indemnity of Board of Directors. The members of the Board and the officers thereof or of the Association shall not be liable to the Lot Owners or any mortgage holder for any mistake of judgment, or any acts or omissions made in good faith as such members or officers. The Lot Owners shall indemnify and hold harmless each of such members or officers against all contractual liability to others arising out of contracts made by such Board members or officers on behalf of the Lot Owners or the Association unless such contract shall have been made in bad faith or contrary to the provisions of this Declaration.

SECTION 10. Board's Determination Binding. In the event of any dispute or disagreement between the Lots Owners relating to the Outlots or any question of interpretation or application of the provisions of this Declaration or the By-Laws of the Association, the determination thereof by the Board shall be final and binding on each and all of such Lot Owners.

ARTICLE IV
ASSESSMENTS

SECTION 1. Lien and Personal Obligation of Assessments. The Declarant, for each Lot Ownership, whether or not improved with an occupiable dwelling unit owned by it, hereby covenants to pay to the Association, subject to the conditions and limitations expressed in Section 4 of this Article IV, and each Lot Owner other than the Declarant, by acceptance of the deed to his Lot Ownership, shall be deemed to covenant and agree to pay to the Association, annual assessments or charges, and special assessments as hereinafter authorized, fixed, established, and collected from time to time as hereinafter provided. All such annual and special assessments, together with interest, if any, and cost of collection thereof, including attorneys fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made from the date of its commencement, all as hereinafter provided. Each such assessment, together with such interest and such cost of collection, shall also be the continuing personal obligation of the Owner of such Lot at the time the assessment became due. Until such time as the Association is created and the first Board of Directors elected by the Lot Owners is installed, all assessments shall be paid to Declarant to be used for the purposes as set forth in this Declaration.

SECTION 2. Purpose of Assessments. The assessments levied by the Association or Declarant, as the case may be, shall be used exclusively to carry out and promote the purposes, obligations and duties of the Association as set forth in this Declaration, and to enforce this Declaration and the compliance herewith by each Lot Owner.

SECTION 3. Amount of Annual Assessment. Until the first annual meeting of the Association, the amount of the annual assessment shall be determined by the Declarant. Thereafter, the amount of the annual assessment shall be determined by the voting members at any annual meeting or any special meeting called for the purpose. Notice of any special meeting for such purpose shall be given in writing to all voting members at least thirty (30) days in advance of the date set for such special meeting. The amount of the annual assessment shall in no case be less than an amount determined (taking into consideration existing cash reserves and the need to maintain future reasonable reserves) by the Declarant or the Board, as the case may be, to be necessary to defray all costs and expenses of the Association in meeting its obligations and fulfilling its duties under this Declaration and the By-Laws for the following year. Each annual assessment shall be divided among the Lots contained within the Subject Property on an equal basis. In the event the annual assessment is not duly adopted by the voting members within sixty (60) days following the date of the initial meeting duly noticed for such purpose, whether due to lack of a quorum, lack of sufficient vote of the voting members, or for

any other reason, the amount of the Annual Assessment for the preceding year shall be assessed for the current year until otherwise approved by the voting members.

SECTION 4. Special Assessments for Extraordinary Items. In addition to the annual assessments authorized by Section 3 of this Article IV, the Association may levy in any assessment year, applicable to that year only, a special assessment which shall be assessed uniformly against each Lot for the purpose of defraying, in whole or in part, the cost of any extraordinary construction or reconstruction, unexpected or emergency repair, replacement, rehabilitation or of any maintenance responsibility of the Association, provided that any such assessment shall have the assent of sixty percent (60%) of the voting members voting on the question at an annual meeting or a special meeting duly called for this purpose, written notice of which shall be sent to all voting members at least fourteen (14) days in advance and shall set forth the purpose of the meeting.

SECTION 5. Quorum for Any Action Authorized under Sections 3 and 4. The quorum required for any action authorized by Sections 3 and 4 of this Article IV, together with such other actions duly noticed to be considered at such meeting, shall be as follows:

At the first meeting of voting members called pursuant to Sections 3 and 4 of this Article IV, the presence in person or by written proxy of voting members entitled to cast fifty-one percent (51%) of all the votes of the Association shall constitute a quorum. If the required quorum is not forthcoming at such meeting, subsequent meetings may be called, subject to the notice requirement set forth in said Sections 3 and 4, until a quorum of three quarters (3/4) of the required quorum at the first such meeting is met.

SECTION 6. Date of Assessment. The Declarant, until the first annual meeting of voting members, and thereafter, the Board, shall fix the date of commencement and the date or dates of payment of the annual assessment against each Lot at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the Lots and assessments applicable thereto which shall be open to inspection by any Lot Owner. Written notice of the assessment shall thereupon be sent to every Lot Owner subject thereto. The Board shall upon demand at any time furnish to any Lot Owner liable for any assessment a certificate in writing signed by an officer of the Board, setting forth whether such assessment has been paid, and such certificate shall be presumptive evidence of payment of any such assessment. The due date of any special assessment under Section 4 hereof shall be fixed by the Board. The Board may require any annual or special assessment to be paid in such installments as it may deem appropriate.

SECTION 7. Effect of Nonpayment of Assessment; Remedies of Association. If an assessment is not paid on the date when due, then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, be a continuing lien on the Lot in favor of the Association which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives, successors, and assigns until paid. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation and that of his personal representatives but his personal obligation shall not pass to his successors in title unless expressly assumed by them, although the delinquent assessment will remain a lien on the land until satisfied.

If an assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the due date at an interest rate of one and one-half percent (1-1/2%) per month, or the maximum rate allowable by law, whichever is less, and the Association may bring an action against the Owner personally obligated to pay the same or to foreclose the lien against the property, or both, and there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and reasonable attorney fees to be fixed by the court, together with the costs of the action.

ARTICLE V EASEMENTS

Pursuant to the Final Plat, the Declarant has granted certain easements for public utilities, drainage and storm water retention/detention to the Village and other named common carriers and franchisees of the Village. SECTION 34. Easement to Run with the Land. All easements on or with respect to any Lot within the Subject Property as established by the Final Plat or under this Declaration are easements appurtenant to and running with the land, perpetually in full force and effect, and at all times shall inure to the benefit of and be binding on the Declarant, the Village, and any Owner, Occupant, purchaser, mortgagee, and other person having an interest in any Lot upon which such easement is located, and its or his heirs, grantees, successors, and assigns.

SECTION 10. Fences. No chain link or cyclone type fences of any kind shall be constructed, used or maintained for any purpose upon any Lot located within the Subject Property. Any Lot Owner or Occupant desiring to erect a fence upon a Lot shall first obtain approval therefor pursuant to the provisions of Article VII of this Declaration. All fences erected or used upon a Lot shall be constructed of western red cedar in compliance with one of the designs identified in Exhibit "C" attached hereto, and shall be a uniform four (4) feet in height.

The foregoing provision to the contrary notwithstanding, all Boughton Road Fences, as defined in Section 2 of Article V of this Declaration, shall be constructed of western red cedar utilizing the arch top 1 x 6 shadow board design shown as Fence Style 5 on Exhibit "C" attached hereto. All Boughton Road Fences shall be six (6) feet in height at the top of the arch. All Boughton Road Fences shall be located along a line generally parallel with and eighteen (18) feet north of the northerly right-of-way line of Boughton Road.

All Boughton Road Fences shall include a gate providing access by the underlying Lot Owner to the portion of such Lot located south of the Boughton Road Fence to facilitate the care and maintenance of the landscaping within such area. The Owner of each Lot containing a Boughton Road Fence shall be responsible for maintaining and caring for such fence and the landscaping on such Lot south of such fence, including the regular cutting of grass, watering and fertilization of grass, trees and bushes. In the event any such Lot Owner fails to properly maintain such landscaping, the Association shall have the right and authority, upon five (5) days prior written notice to such Lot Owner, to enter upon such Lot and carry out such maintenance. All costs incurred by the Association as a result thereof, plus fifteen percent (15%), shall be paid by the responsible Lot Owner and such amount, plus reasonable attorney's fees incurred by the Association in collecting the same, shall constitute a lien against such Lot.

All fences erected or used upon a Lot shall be constructed so that the finished face of such fence faces outward from the property lines of such Lot and all structural and support members of the fence face inward toward such Lot. All fences constructed within the Subject Property shall fully comply with applicable ordinances of the Village and all necessary and appropriate permits required by the Village or other applicable authority for such fence shall be procured by the constructing party prior to the commencement of construction. In the event a Lot Owner fails to properly maintain a fence located on such Owner's Lot, the Association shall have the right and authority, upon at least ten (10) days prior written notice to such Lot Owner, to enter upon such Lot and perform or cause to be performed reasonable maintenance, replacement, renewal or removal of such fence. All costs incurred by the Association in carrying out such work, plus

an additional fifteen percent (15%) thereof, shall be paid by such Lot Owner to the Association, and the Association shall have a lien against such Lot in such amount, plus reasonable attorney's fees incurred by the Association in collecting the same.

ARTICLE VII
ARCHITECTURAL CONTROLS

SECTION 1. Plan Approval. It is understood and agreed that the purpose of architectural controls for the Subject Property is to secure an attractive, harmonious residential development having continuing appeal. No construction on the Subject Property of a building, fence, wall, or other structure shall be commenced, erected, or maintained, nor shall any addition to or change or alteration thereto be made (except interior alterations) until the construction plans and specifications, showing the nature, kind, shape, height, materials, color scheme, proposed location on the Lot, approximate cost of such building or other structure, and the grading plan and landscape plan of the Lot to be built upon shall have been submitted to and approved in writing by Declarant. Declarant shall have the right to refuse to approve any such construction plans or specifications, grading plan or landscape plan, which are not suitable or desirable in the opinion of Declarant for aesthetic or other reasons; and in so passing upon such construction plans and specifications, grading plan or landscape plan, Declarant shall have the right to take into consideration the suitability of the proposed building or other structure with the surroundings, and the effect of the building or other structure on the compatibility with adjacent or neighboring properties.

All plans, specifications, and other materials pertinent to any proposed construction shall be submitted to the office of River Bend Development Partnership, c/o Roy A. Krughoff, 25 W 344 Chicago Avenue, Naperville, IL 60540 or such other address as may from time to time serve as the principal place of business for said partnership, as agent for Declarant (hereinafter referred to as "Agent"), for approval or disapproval. A report in writing setting forth the decision of Declarant by Agent, and the reasons therefor shall thereafter be transmitted to the applicant by Agent within thirty (30) days after the date of filing the plans, specifications, and other material by the applicant. Agent, following the submission of the aforesaid, will aid and assist the prospective residents, or their agents, and will attempt to reasonably cooperate with the reasonable objectives of the Lot Owner. Lot Owners are encouraged to submit preliminary sketches for "informal comment" prior to the submittal of architectural drawings and specifications for full review. In the event: (a) Declarant through Agent fails to approve or disapprove within ninety (90) days after submission, the final plans, specifications, or other material, as required in this Declaration; or (b) no suit to enjoin construction has been filed by Declarant, Agent, the

Association or any other Lot Owner, within ninety (90) days after commencement of construction in violation of this Article VII, the requirement of Declarant's approval under this Article VII for the structure or improvement submitted for review or then under construction, and for such structure or improvement only, shall be deemed waived, provided, however, that all other provisions of this Declaration shall be fully complied with.

SECTION 2. Assignment of Authority. The rights and authorities established by this Article VII shall be personal to Declarant, through its Agent, but may be assigned by Declarant to such other person(s) or entity, and thereafter from time to time assigned, as Declarant, or its successor or assign, may deem appropriate. An assignment of the Declarant's rights and authorities pursuant to this Article VII may only be accomplished by written instrument expressly referencing this Article VII, duly executed by the assignor, accepted by the assignee, and recorded with the Will County Recorder's Office. Declarant may at any time terminate the architectural controls established hereunder by written instrument recorded with the Will County Recorder's Office, without the consent of any Lot Owner within the Subject Property. In the event Declarant assigns its rights under this Article VII to the Association, the Association Board shall establish an architectural review committee consisting of not less than three (3) Lot Owners to administer the provisions of this Article VII. The term of service for each committee member elected by the Board, and the procedures to be utilized by such committee in carrying out its duties, shall be as established by the Board.

SECTION 3. Developer Exemption. The provisions of Section 1 of this Article VII shall not apply to the Developer or any of the three entities being a partner in Developer as identified in Section 1(i) of Article I of this Declaration. This exemption shall not be assignable and shall not run with the land upon the sale of a Lot by one of the exempt entities, but shall be personal to Developer and the partners making up Developer.

ARTICLE VIII ADD-ON PROPERTY

The Subject Property constitutes the first unit of the overall development known as the River Bend Subdivision. Accordingly, Declarant contemplates the development of one or more additional units of River Bend Subdivision on the Add-On Property as defined in Paragraph (a) of Section 1 of Article I of this Declaration. Declarant, by written instrument or instruments duly executed by Declarant and hereafter recorded with the Will County Recorder's office, shall have the right and authority, but not the obligation, to from time to time subject all or any part of the Add-On Property, or any other property contiguous to the Subject Property or Add-On Property hereafter acquired by Declarant, to the conditions, covenants, easements, reservations and restrictions set

forth in this Declaration, subject to such alterations, amendments, or clarifications of the terms and provisions hereof, and such additional covenants, easements, and restrictions as Declarant may deem appropriate for the applicable parcel of the Add-On Property. The submission of all or any portion of the Add-On Property or other contiguous property to this Declaration shall be in the sole and absolute discretion of Declarant, and shall not require the consent or approval in any form or manner of any Lot Owner taking title by, through or under Declarant, or any of Declarant's grantees or assigns. The right and authority vested in Declarant pursuant to this Article VIII shall be personal to Declarant and shall not run to the benefit of any grantee, successor or assignee of Declarant except by written instrument of assignment specifically referencing the right being assigned, duly executed by Declarant and recorded with the Will County Recorder's office. Each portion of the Add-On Property, or other contiguous property, from time to time duly subjected to this Declaration shall automatically be treated as a part of the Subject Property for purposes of applying the provisions of this Declaration. Unless otherwise provided in the instrument adding such property under this Declaration, all common areas facilities and common facilities shall be administered and maintained by the Association, and the assessments from time to time levied by the Association or Declarant shall be spread over all of the property then being the subject of this Declaration.

ARTICLE IX
DECLARANT'S RIGHTS RESERVED

SECTION 1. Easements. Notwithstanding any provisions contained herein to the contrary, the easements granted or referred to under Article V of this Declaration shall be subject to:

- a. The right of the Declarant to execute all documents and do all other acts and things affecting the Subject Property which, in the Declarant's opinion are desirable and appropriate in connection with Declarant's rights hereunder, provided any such document or act or thing does not unreasonably interfere with the property rights of any Owner.
- b. Easements of record on the date hereof and any easements which may hereafter be granted by Declarant to any public utility or governmental body for the installation and maintenance of electrical and telephone conduit and lines, gas pipes, sewer and water pipes, or any other utility services serving any dwelling unit or as otherwise specified in such easements.
- c. The vacation or relocation of easements by the Declarant pursuant to agreement with the Village to facilitate the service of utilities to all or any portion of the Subject Property, or to eliminate a particular hardship which would

otherwise be experienced by an Owner.

SECTION 2. Construction and Sales Facilities. Declarant shall have the right to construct, operate and maintain, and to authorize others pursuant to the provisions of Section 8 of Article VI of this Declaration to construct, operate and maintain, construction and/or sales facilities in model homes and other structures approved by Declarant located within the Subject Property throughout the period of construction and sales of Lots and dwelling units located within the Subject Property, or any portion thereof.

SECTION 3. Temporary Sales Signs and Materials. Declarant, Developer and partners of Developer, shall have the right and authority to construct, install and utilize temporary sales, marketing, directional and advertising signs, banners, pennants and materials (hereinafter collectively "Temporary Signs") from time to time deemed appropriate by Declarant to promote the development and sales of Lots and dwelling units constructed or to be constructed upon any Lot. Temporary Signs may be located upon (i) the Landscape Easement, as defined in Section 2 of Article V of this Declaration, (ii) any Lot owned or controlled by Declarant, Developer or any partner of Developer, (iii) any Lot within the Subject Property upon which the right to place Temporary Signs is reserved by Declarant, Developer or a partner of Developer, and (iv) any portion of the Add-On Property. All Temporary Signs shall be removed by the entity which installed the same no later than the issuance of the occupancy permit for the last dwelling unit occupied with the Subject Property, including any Add-On Property hereafter submitted under this Declaration.

SECTION 4. Permanent Entry Signs. Declarant shall have the right and authority, but not the obligation, to construct permanent subdivision identification entry signs within the Landscape Easement or other easements reserved by Declarant for such purpose at or near points of entry to the Subject Property from Boughton Road and other access points (hereinafter "Permanent Entry Signs"). All Permanent Entry Signs constructed by Declarant shall be conveyed to and owned and maintained by the Association.

SECTION 5. Exceptions. Except for rights granted to the Village, Declarant, for itself only, hereby reserves the right to enter into written agreements without the consent of any Owner to deviate from any or all of the provisions set forth herein in the event there are practical difficulties or particular hardships evidenced by any Owner of any Lot in the Subject Property. Any deviation so approved shall not constitute a waiver of the right of Declarant or any Owner to enforce against any other Lot within the Subject Property the provision deviated from, nor shall Declarant have any obligation to extend or grant such deviation to any other Lot within the Subject Property.

SECTION 6. General Authority. Declarant shall have the right to execute all documents and undertake any actions effecting the Subject Property, and any portions thereof, which in Declarant's sole and absolute discretion are either desirable or necessary to fulfill or implement, either directly or indirectly, any of the rights granted or reserved to Declarant or the Association in this Declaration.

SECTION 7. Declarant's Agent. All notices, approvals, consents, deviations, and other authorizations which may be given by Declarant hereunder may also be given by Declarant's Agent as identified in Section 1 of Article VII of this Declaration. All such notices, approvals, consents, deviations, and other authorizations from time to time voluntarily given in writing under the authentic and duly authorized signature of Agent shall be deemed binding upon Declarant and may be relied upon solely by the person or entity to which the same is specifically addressed. Declarant may from time to time revoke, alter, amend or transfer the authority granted under this Section 5 by written instrument referencing this Section 5, which instrument shall be deemed effective upon execution by Declarant and recordation thereof with Will County Recorder of Deeds.

SECTION 8. Assignment of Declarant's Rights. Declarant, its successors or assigns, shall have the right to transfer and assign all or any of the rights, privileges, easements, powers, and duties herein retained or reserved by Declarant, its successors or assigns, by written instrument or instruments in the nature of an assignment expressly providing for such assignment and specifically referencing this Declaration and the provisions assigned, which shall be effective when recorded in the office of the Recorder of Deeds of Will County, Illinois, and Declarant, its successors or assigns, shall thereupon be relieved and discharged from every duty so vested in the transferee.

SECTION 9. Rights of Developer. All rights reserved and granted to Declarant hereunder shall be deemed reserved and granted to Developer and may be exercised and carried out by Developer.

ARTICLE X GENERAL PROVISIONS

SECTION 1. Duration. The covenants and restrictions of this Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Declarant, the Association, the Owner of any land subject to this Declaration or portions thereof, and the Village, and their respective legal representatives, heirs, grantees, successors and assigns, for a term of fifty (50) years from the date this Declaration is recorded, after which time such covenants shall be automatically extended for successive periods of ten (10) years unless and until an instrument amending this provision as hereinafter provided shall

be recorded.

SECTION 2. Amendment. This instrument and its effect shall not at any time hereafter be modified, amended, or annulled except by the written agreement of the then Owners of record of sixty percent (60%) of all of the Lot Ownerships to which such provision applies, or such other percentage of Lot Ownerships as expressly otherwise provided in this Declaration. No amendment purporting to affect any right of the Village or Declarant provided herein shall be effective unless such amendment is duly approved and executed by the Village or Declarant, as the case may be. In addition thereto, no amendment to the obligation of the Association to provide for the common care and maintenance of the Retention Facility, landscaping and entry signage as provided herein shall be effective unless duly approved and executed by the Owner or Owners of each of the Lots upon which the effected item is located. No amendment shall be effective until duly executed, acknowledged, and recorded in the office of the Recorder of Deeds, Will County, Illinois.

SECTION 3. Severability. If any provisions of this Declaration or any section, sentence, clause, phrase or word hereof, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Declaration and of the application of any such provision, section, sentence, clause, phrase, or word in any other circumstance shall not be affected thereby.

SECTION 4. Headings Not Controlling. The headings, sub-headings, and captions in this Declaration are for convenience only and shall not be construed to affect the meaning or interpretation of this Declaration.

SECTION 5. Perpetuities and Other Rules of Property. If any of the options, privileges, covenants, or rights created by this Declaration would otherwise violate (a) the rule against perpetuities or an analogous statutory provision, or (b) any other statute or common law rule imposing time limits, then such provision shall continue in the case of (a) only until twenty-one (21) years after the death of the survivor of the now living lawful descendants of the incumbent Chairman of the Will County Board, Will County, Illinois, and the incumbent President of the United States, and in the case of (b) for the maximum period permitted.

SECTION 6. Title in Land Trust. In the event title to any Lot is conveyed to a title-holding trust, under the terms of which all powers of management, operation, and control of the Lot remain vested in the trust beneficiary or beneficiaries, then the beneficiary or beneficiaries from time to time established thereunder shall be responsible for payment of all obligations, liens, or indebtedness and for the performance of all agreements, covenants, and undertakings, chargeable or created under this Declaration against such Lot. No claim shall be made against any

such title-holding trustee personally for payment of any lien or obligation hereunder created and the trustee shall not be obligated to sequester funds or trust property to apply in whole or in part against such lien or obligation. The amount of such lien or obligation shall continue to be a charge or lien upon the Lot and the personal obligation of the beneficiaries of such trust at the time such charge or lien is incurred, notwithstanding any transfers of the beneficial interest of any such trust or any transfers of title to such Lot.

SECTION 7. Rights and Obligations. Each grantee of Declarant by the acceptance of a deed of conveyance, and each purchaser under any contract for such deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, liens, and charges, and the jurisdiction, rights, and powers created or reserved by this Declaration, and all rights, benefits, and privileges of every character hereby granted, created, reserved or declared, and all impositions and obligations hereby imposed and shall be deemed and taken to be covenants running with the land, and shall bind any person having at any time any interest or estate in said land, and, except as otherwise provided herein, shall inure to the benefit of such person in like manner as though the provisions of this Declaration were recited and stipulated at length in each and every deed of conveyance. The rights and powers reserved in Declarant hereunder shall be personal to Declarant and shall not inure to the benefit of any grantee, successor or assignee of Declarant unless otherwise expressly provided in a written instrument of assignment executed by Declarant and recorded with the Will County Recorder's Office.

SECTION 8. Liberal Construction. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for development.

SECTION 9. Remedies for Breach of Covenants, Restrictions and Regulations.

a. Default. In the event of any default of any Owner under the provisions of this Declaration, or any amendment hereof, Declarant, the Association, other Owners, and the Village shall have each and all of the rights which may be respectively provided for them in this Declaration, or which may be available at law or in equity and may prosecute any action or other proceeding for enforcement of any lien or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or for any combination of remedies, or for any other relief. All expenses of the Declarant, the Association, such other Owners, or the Village in connection with such actions or proceedings, including court costs and attorneys' fees and other fees and expenses, shall be charged to and assessed against such defaulting Owner.

b. No Waiver of Rights. The failure to enforce any right, provision, covenant, or condition which may be granted by this Declaration shall not constitute a waiver of the right or of the continuing right to enforce such a right, provision, covenant, or condition in the future, irrespective of the number of violations, defaults, or breaches which may occur.

c. Remedies Cumulative. All rights, remedies, and privileges granted to Declarant, the Association, Owners, or the Village pursuant to any of the terms, provisions, covenants, or conditions of this Declaration shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies nor shall it preclude Declarant, the Association, Owners, or the Village thus exercising the same from exercising such other additional rights, remedies, or privileges as may be granted to Declarant, the Association, Owners, or the Village at law or in equity.

SECTION 10. Limited Application. Nothing contained in this Declaration shall be construed to apply to any property other than the Subject Property.

SECTION 11. Conflict. In the event of a conflict between any provision of this Declaration and an express provision contained on the Final Plat, the provision of the Final Plat shall prevail.

SECTION 12. Recitals and Exhibits. The recitals set forth at the beginning of this Declaration and the exhibits attached hereto are hereby incorporated into and made a part of the substance of this Declaration.

IN WITNESS WHEREOF, Declarant has caused this instrument to be executed, acknowledged, and attested by its undersigned, duly authorized officers on the day and date first above written.
